

BURGLARS RANSACK FIFTH AVENUE HOME

Mrs. James Williams Bell Reports Thieves Got Thousands in Loot.

NEW YORK, Oct. 21.—A burglary in the most exclusive Fifth Avenue residential section was discovered early today when Mrs. James Williams Bell, society woman, returned to her handsome apartment on the fourth floor of 19 East Sixty-fifth street to find it ransacked and looted of thousands of dollars worth of jewelry, silverware, furs and clothing. Mrs. Bell said early this morning that the exact loss could not be ascertained until she had opportunity to check up her valuables. That the burglars were frightened away in the midst of their plundering is indicated by the fact that they overlooked \$10,000 worth of jewelry and evidently hastily discarded a tray full of expensive silverware.

WOMEN OF RIVERDALE ARE ACTIVE IN POLITICS

RIVERDALE, Md., Oct. 21.—Construction of the new postoffice building has just been started. It will occupy the site of the old postoffice which was destroyed by fire about two years ago and will cost about \$14,000. It is expected to be completed by December 1.

A delegation from the Woman's Democratic Club of Riverdale went today to Baltimore on the Cox Special to hear the Democratic aspirant speak.

At a meeting next Tuesday of the League of Women Voters of Riverdale, women will learn all about voting. There will be a sample ballot, judges and things generally will be arranged as for a genuine election.

Under the auspices of the Woman's Democratic club a public meeting will be held tomorrow night at the home of Dr. Clarence J. Owens here. The principal speakers will be Prof. Albert Leavitt, of the Law Department of George Washington University, and Mrs. J. Wesley Thompson, of Honolulu.

County was the marriage of Miss Mary Elizabeth Porter, only daughter of Mr. and Mrs. William D. Porter, and John Henry Reader, of Charles County, Md., which took place last night. The ceremony was performed by the Rev. Charles E. McAllister, rector of St. Matthew's Parish, in Piquette Memorial Church.

The bride entered the church on the arm of her father, by whom she was given in marriage. She wore a gown in georgette crepe over silver cloth, court train, tulle veil, caught with orange blossoms. She wore a handsome pearl necklace, the gift of the bridegroom, and carried a shower bouquet of bride roses. The matron of honor was Mrs. Robert Skelton Gilliam, of Petersburg, Va., cousin of the bride. She wore coral taffeta and tulle, with silver trimmings and carried chrysanthemums tied with pink tulle.

Miss Dorothy U. Galt, of Hyattsville, was bridesmaid, and wore pink taffeta and tulle and carried orchid chrysanthemums tied with tulle. The best man was John E. Waters, of Berwyn, Prince Georges County. The ushers were Robert G. Porter, brother of the bride, Kenneth F. Brooks, and Robert W. Owens, of Hyattsville, and Gerard J. Hungerford, of Washington, cousin of the bridegroom. The organist was Miss Grace Alsworth, of Riverdale. The church was profusely decorated with chrysanthemums.

Following the ceremony a reception was held at the home of the bride's parents in Avon avenue, attended only by relatives and immediate friends. Some of the out-of-town guests were Mr. and Mrs. C. R. Pusey, Mr. and Mrs. M. B. Freeman, Mr. and Mrs. R. Addison, Mr. and Mrs. Kemp, Mrs. George A. Bryant, Mrs. Francis Gibson and Mr. and Mrs. W. Bouchet, all of Baltimore; Mr. and Mrs. Barnes, of New York City; Dr. and Mrs. A. T. Hough, of Washington; John H. Reader, Jr., of Charles County; Mr. and Mrs. W. S. Torbert, of Washington; Mrs. W. D. Porter, Jr., of Petersburg, Va.; Mr. and Mrs. R. G. Gilliam, J. Hartwell Heath, Mr. and Mrs. C. M. Gilliam, and Mr. and Mrs. R. S. Gilliam, all of Petersburg.

The resident members of the U. S. S. Jacob Jones Post of the American Legion will be at home on Sunday afternoon to the members of the post and their friends, and to the other members of the American Legion. The new home of the Jacob Jones Post is located at 1716 Rhode Island avenue northwest. The club will be open for inspection on Sunday evening from 4:30 to 8 o'clock.

discuss any matters pertaining to the Bruce case at this time.

Miss Ina C. Emery appeared before the board to report on the progress of the children's pageant Saturday night in honor of Dr. Ballou. Suspension of Louis A. Battersby, a teacher in Business High School for absence without leave was approved until all the facts in the case can be ascertained.

Dr. Ballou was granted leave of absence to attend a banquet in his honor in Boston October 31, and to inspect the New York schools November 1 and 2.

CALL CONFERENCE ON TEACHERS' PAY

Board of Education Fixes November 10 as Time for Discussion.

The question of teachers' salaries will be threshed out at a joint conference of the council, composed of about thirty representatives of their organizations, and the Board of Education at a special meeting November 10.

This was determined upon by the Board of Education yesterday when it voted to give the question of salaries its attention at the next meeting.

Teachers will be asked to present their reasons for not accepting the salary schedule embodied in the report of the reclassification commission. Members of the board hope to reach some definite agreement on the salary question, realizing the importance of going to Congress with an acceptable proposition. E. C. Graham and Daniel A. Edwards, the two new members of the board, took the oath of office at the opening of the session. It was administered by Secretary Harry O. Hine.

EXTEND WORKING DAY. Part-time teachers in the public schools will be required, hereafter, to put in a full day of service as a result of action taken by the board. In offering the recommendation Superintendent Ballou read a statement setting forth his reasons for extending the hours for part-time teachers "for the benefit of the education of the children during the full period of the day."

"Since the basic salary of all teachers in all classes of the elementary schools is uniformly \$1,200, there no longer exists any justification for differentiation among the teachers of the various salary groups with regard to the number of hours per day that the teachers of each group shall serve. The time of the teachers now in charge of classes holding session for a period less than the established school day of five hours will be devoted to professional service in the schools. The duties required will consist of such activities as coaching backward children in their own classes, assisting teachers with the instruction of large classes or similar professional service."

PROTEST IS REFUSED. During the meeting members of the Colored Parents' League sought to enter objections to appointments recommended by Roscoe Bruce in the colored schools. J. C. Vaughan Todd tried to get a hearing, when the list of appointments was being read, but was told by Dr. Simon, president of the board, that the board could not
